## What is a Trades & Manufacturing Career?

**Goal:** *Develop a solid understanding of the type of careers available in this broad field.*

### The Basics:

1. What are two important differences between most trades & manufacturing careers and office-work careers?
  
  
  
  
  
  
  
  
  
  
2. What are some reasons you might be proud to do the work you would do in a trades & manufacturing career?
  
  
  
  
  
  
  
  
  
  
3. Please rank the three *categories* (*Construction & Systems, Machines & Manufacturing, Vehicles & Engines*) of career types from top to bottom and provide two reasons why you might enjoy pursuing a career in each of the categories:
