

CAREER PATH STEPS

Name:

Class:

Date:

Career: Assembler

TA Champion:

School:

Goal: *Determine whether this career fits my interests and skills.*

Use Your Resources:

1. What skills do you need as an assembler?

Day-in-the-Life Video:

2. Who does Kyla work for? What does she like about where she works?
3. Why does Kyla like what she does? What is she proud of?
4. What type of products does the work Kyla performs go into? Can you think of some she didn't mention in the video?
5. Before going to school, did she have a stable life? Why or why not?
6. Where did she go to school? What did she learn while there and what did she like about it?
7. When did Kyla get her job?

8. How does the work Kyla performs help other people or her community?

Personal Reflection:

9. Why do you think the assembler position would be a good place to start at a company if you wanted to build a career there?

10. What do you notice about the manufacturing facility where Kyla works? How is this different or similar to your understanding of factory work?

11. How is your personal situation similar to or different from Kyla's?

12. What parts of being an assembler are not exciting or might be challenging for you? What do you like about the assembler career?
