

CAREER PATH STEPS

Name:

Class:

Date:

Career: Auto Body Technician

TA Champion:

School:

Goal: *Determine whether this career fits my interests and skills.*

Use Your Resources:

1. What skills are needed as an auto body technician?

Day-in-the-Life Video:

2. Why was high school hard for Jake?
3. Why did going to Hennepin Tech help him?
4. How does he feel about his state of mind now?
5. What's his favorite part about his job? How does he feel he is helping other people/the community?
6. What did he do as a child that inspired his future job?
7. What are his daily tasks?

8. How long did it take him to get his degree? How does he feel about his choice financially?

9. What does he do for hobbies?

10. What kind of benefits does he have?

11. What are his dreams for the future?

Personal Reflection:

12. Jake really struggled in high school with addiction and depression. His schooling and having a purpose “turned his life around.” What is your purpose? What do you want to do that will help you become a better person?

13. How is your personal situation similar to or different from Jake’s?

14. What do you like about the auto body technician career?

15. What parts of being an auto body technician might be challenging for you? What might be interesting?
