

CAREER PATH STEPS

Name:

Class:

Date:

Career: Electrician

TA Champion:

School:

Goal: *Determine whether this career fits my interests and skills.*

Use Your Resources:

1. What skills do you need as an electrician?

2. List four or more places where electricians might do their work.

Day-in-the-Life Video:

3. How did Logan receive his training to be an electrician? How quickly did he get a job when he was done?

4. How does Logan feel about his personal financial situation? Why?

5. What are some of the things electricians actually do on a project?

6. Who do electricians need to work with on various projects?

7. How does the work Logan performs help other people or his community?

8. Will there be good demand for electricians in the future? Why?

9. Why do you think Logan is proud to be an electrician?

10. What paths could Logan ultimately take as a qualified electrician?

Personal Reflection:

11. Logan says, "The more you learn, the more you earn." What do you want to learn more about so you can have a career and earn the money to live comfortably?

12. How is your personal situation similar to or different from Logan's?

13. What parts of being an electrician might be challenging for you? What might be interesting?

14. What do you like about the electrician's career?
