

CAREER PATH STEPS

Name:

Class:

Date:

Career: Installer

TA Champion:

School:

Goal: *Determine whether this career fits my interests and skills.*

Use Your Resources:

1. What skills are needed to be an installer?

Day-in-the-Life Video:

2. Based on what Rory said about his childhood, why did he go into the trades?

3. Do you think there will be good demand for installers in the future? Why?

4. What type of trades-related things does Rory do on the job?

5. How did Rory receive his training?

6. What does Rory like about being an installer?

7. What are some things Rory is proud of given his career?

8. How is Rory set financially?

9. How does the work Rory performs help other people or his community?

Personal Reflection:

10. Rory talks about how he is making a difference in people's lives. How do you want to make a difference in people's lives?

11. How is your personal situation similar to or different from Rory's?

12. What do you like about the installer career?

13. What parts of being an installer might be challenging for you? What might be interesting?
